

## WHEN WILL I BE FAMOUS?

Haruto and Yuna are a married couple. They have planned a trip to Hollywood. They've dreamed of going to Hollywood because it's the birthplace of the American film industry. Many famous films are made there. Haruto and Yuna are from Japan, so it will be a long trip. Yuna wants to know about her favorite film stars.

Her favorite American actor is Robin Williams. Williams started in the 1998 movie "Patch Adams", and "Patch Adams" is Yuna's favorite American movie. The film was nominated for eight awards and won one, the ASCAP award. Williams was known for his comedic act style and his range of film performances. He died in 2014.

Haruto's favorite American actress is Marilyn Monroe. Monroe was known for playing beautiful, sexy characters and for being a sex symbol. Although Monroe died in 1962, she is still very famous. Haruto's favorite film starring Monroe is the 1959 film "Some Like It Hot". Monroe won a Golden Globe Award for her performance in this film.

While Haruto and Yuna are in Hollywood, they want to see the Hollywood Walk of Fame. Many celebrities have stars on it. Both Williams and Monroe's stars are on Hollywood Boulevard. Williams' star is on the north side, with Monroe's star is on the south side.
